SUBJECT: Co-Sponsorship for Southern California Leadership

EXECUTIVE DIRECTOR'S APPROVAL:

RECOMMENDED ACTION:

It is recommended that the Regional Council authorize SCAG to co-sponsor the Southern California Leadership Network in the amount of \$2,500.

BACKGROUND:

As part of SCAG's outreach for Southern California Compass, program participants have conducted a visioning exercise that will contribute directly to the development of planning scenarios for the 2004 Regional Transportation Plan.

SCAG's support of this program will allow future participants to continue to undertake a hands-on role in the work of the PILUT program. This opportunity will provide them first hand knowledge of livable communities and jobs/housing balance. Leadership program participants will continue to be involved as the growth visioning effort proceeds and the transportation plan is developed.

FISCAL IMPACT:

Budget is available in SCAG's FY 2002-03 budget under Work Element 03-370-Agencywide Management.
